

U.S. DISTRICT COURT
EASTERN DISTRICT OF WASHINGTON

■ Accessing Court Records

Online access to court records can be obtained through our Case Management / Electronic Case Filing system. CM/ECF contains docket sheets for nearly all civil and criminal cases filed in the Eastern District of Washington since approximately 1989. In addition, the system provides access to individual documents in civil cases (except Social Security cases) filed after September 1, 2002, and in criminal cases filed after November 1, 2004.

A PACER account is required to access the system. Fees apply for most documents (typically 10 cents per page with a maximum charge of \$2.40 per document, except there is no cap on transcripts). PACER information is available at www.pacer.psc.uscourts.gov or by calling the PACER Service Center at 800-676-6856.
