

Training offered on Courtroom Technology

The court is offering courtroom technology training for attorneys. Attorneys are invited to schedule an individual presentation, at their convenience. Topics we will cover include:

- Challenges associated with covert audio recordings
- Playing video clips and DVD's- common mistakes
- Hooking up your laptop to the courtroom display system
- Marking up on-screen displays
- Commonly seen problems with digital evidence
- Aids to use in sequencing the presentation of evidence
- Any questions you may have

Familiarity with the courtroom's technology and testing your presentation in the courtroom is the best guarantee of an effective, trouble-free experience. We are happy to offer attorneys an opportunity for hands-on practice. To schedule training on the Spokane courtrooms, contact Mike Way, 509-458-3452. In Yakima, contact Curt Robins, 509-573-6617. In Richland, contact Mark Steiger, 509-943-8176. You can also email the IT team at helpdesk@waed.uscourts.gov to schedule an appointment.
