UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF WASHINGTON

In Re:	}	
THE MATTER OF SCHEDULE OF COLLATERAL FORFEITURE FOR THE EASTERN DISTRICT OF WASHINGTON,	}	GENERAL ORDER NO. 2025-8
	}	ORDER ADOPTING SCHEDULE OF COLLATERAL FORFEITURE FOR THE EASTERN DISTRICT OF WASHINGTON

Pursuant to Fed. R. Crim. P. 58(d)(1), this Schedule of Collateral Forfeiture allows a defendant to pay a fixed-sum payment in lieu of appearance and end the case for non-mandatory citations. If the defendant chooses not to pay the fixed-sum payment and initially appears in court pursuant to Fed. R. Crim. P. 58(b)(2) on the citation or violation notice, the fixed-sum amount in this Schedule of Collateral Forfeiture is no longer applicable. In some circumstances, the Schedule of Collateral Forfeiture provides for the defendant's mandatory appearance. After appearing on either a fixed-sum payment or mandatory appearance, a defendant faces the maximum penalty allowed by law within the proscribed statutory maximums. However, nothing prevents a magistrate or district court judge from issuing any sentence it deems appropriate under the law. This Schedule of Collateral Forfeiture only applies to defendants charged by citation or violation notice. An officer of the United States may allege by citation any violation of the Code of Federal Regulation which that officer has the authority to enforce, whether or not that offense is listed on the schedule. Any such citation will require the appearance of the defendant in court.

Upon the Motion of the United States to adopt the proposed Schedule of

1 Collateral Forfeiture for the Eastern District of Washington,

2 IT IS ORDERED that said Motion is granted and the Schedule of Collateral
3 Forfeiture for the Eastern District of Washington, attached hereto, is hereby adopted by
4 the United States District Court for the Eastern District of Washington; and it is

5 FURTHER ORDERED that the attached Schedule of Collateral Forfeiture for the
6 Eastern District of Washington supersedes General Orders Nos. 01-12-11; 12-10; 12-3;
7 12-1; 06-12-1; 08-12-1; 11-12-1; 13-12-1; 14-12-1; and 15-12-2; and the Order to
